## CORE VALUES

**WE PUT CHILDREN FIRST.** We take seriously our responsibility for influencing and educating thousands of students across the country every single day, arming them with skills they'll use their whole lives.

**WE VALUE CONNECTION.** AlphaBEST fosters connection: between employees, with our school and district partners, and with the families we serve. We've created an environment that encourages experimentation, collaboration, and teamwork.

**WE ARE DRIVEN BY INNOVATION.** We not only embrace change – we drive it. By keeping a pulse on the latest educational developments, we implement cutting-edge curriculum that is as fun and engaging as it is innovative and skill building.

**WE ARE THE BEST AT WHAT WE DO.** Our commitment to continuous improvement allows us to deliver the highest quality of service.

**WE LEAD WITH A YES MINDSET.** We're committed to extreme customer focus! We challenge ourselves to step outside our comfort zones and to have a can-do attitude.

**WE MAKE IT RIGHT.** We aren't perfect, but we do aim to respond perfectly. When things don't go as planned, we double down and make sure the situation is handled seamlessly – and that we learn from those missteps and avoid them going forward.

**WE HAVE FUN.** Our programs are structured to keep engagement front and center by fusing fun with learning in everything we do. We embrace the adage that education is not the filling of a pail, but the lighting of a fire.

### **Arts and Entertainment**

Through interactive plays, stories, and activities, students engage in the fundamentals of drama, storytelling, puppetry and more.

### **World Languages and Culture**

In order to be globally competitive, today’s students need expanded and varied communication skills. Our goal is to promote cultural literacy, acquisition of vocabulary and practical conversation skills through the exploration of culture and language.

### **Maker**

Maker spaces “pop up” in all AlphaBEST schools, once per week. Our Zone instructors are certified in the proper delivery of the learning-through-making philosophies of the original Maker movement founders. Students respond to open-ended challenges and work with materials provided to solve each challenge in their own way.

### **Homework**

The AlphaBEST Homework Zone provides time, space, materials, and support necessary to complete assigned homework each day in a quiet, relaxed atmosphere with limited distractions. Staff rotates through homework stations to provide assistance to students when necessary. Whenever possible, teachers are hired for this role.

### **Clubs**

We put learning in the student’s hands! InZONE Clubs allow students to choose an area of interest and explore it in a less structured approach. Rotated throughout the year, clubs are based on student choice and staff talents.

## Policies and Procedures

### Release of Children

**A parent or other pre-authorized person must sign out each child daily prior to program closure.** Each child must be escorted in and signed in and out of the program. Anyone picking up a child from an AlphaBEST program must be listed as an authorized adult on the child's enrollment form. Sign Out occurs electronically on our Parent Portal at your site location. The authorized individual picking up will enter their unique PIN number and select the child(ren) they are picking up. Once selected, the system is time and date stamped, electronically capturing who has picked up the child. For children's protection, AlphaBEST Education only releases a child to the child's parents, guardians or to another authorized person whose identity has been verified through a photo-identification card. If changes need to be made to the Enrollment Form, please contact Customer Service.

The AlphaBEST Education staff must have written notification, with explicit instructions from you, before your child(ren) may leave with a person who is not listed on the form. To ensure your child's safety, all persons coming to the center to pick-up children will be required to show picture identification before the staff will release your child to them. Please remind your back-up people to bring identification into the building with them when they pick-up your child.

If a child is not picked up by the close of the program, all authorized and emergency contacts on the application are contacted. If the contacts are unavailable by phone, the appropriate state agency and/or the local police authority are contacted. If a child is not picked up after 30 minutes and if the parents or guardians are not available due to death, illness, emergency or any other cause, the child may be released to protective services of the state or the local police authority. This is done in accordance with state childcare licensing regulations.

If your child attends a club or after school function prior to coming to the AlphaBEST after school program, it's the responsibility of the school club/function sponsor to ensure that your child arrives in a safe and supervised manner and is checked into our program.

## **Eligibility**

AlphaBEST Education will not discriminate against children on the basis of gender, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, homeless status, sexual orientation or physical, mental, emotional, or learning disability in its education programs or activities.

AlphaBEST will serve all students eligible for its program if space is available, unless:

- Accommodating the student would require a fundamental alteration of the program; or
- The student poses a direct threat to the health and safety of self or others

AlphaBEST will consider each student individually to determine if it can serve that student. AlphaBEST will consider all relevant factors in making its determination. These factors may include, but will not be limited to, the following:

- The student's ability to function in a large cafeteria, gym and open playground
- The student's ability to function with a staff to student ratio of 1:13-20
- The student's need for individual supervision
- The student's health care needs

Where appropriate, AlphaBEST will also consult with teachers, school administrators, previous child care providers, and medical personnel as part of its consideration. Parents must provide written permission allowing the AlphaBEST representative to observe the student. At the conclusion of the consultations, senior administrative staff will discuss the recommendation with the student's parent(s) or guardian(s).

This policy is intended to supplement but not replace any state and federal laws applicable to AlphaBEST's programs.

## **Attendance**

AlphaBEST will ensure that each child is signed in and out of the designated AlphaBEST Education, Inc. area immediately upon arrival and departure daily. Parents must sign each child in and/or out of the program with their unique pin. Only authorized individuals and emergency contact information found on the child(ren)'s enrollment form will be used in accordance with strict safety and supervision. Any changes to the Enrollment Form must be done through contacting Customer Service.

## **Absences**

If a child does not arrive at the program as scheduled, the program staff will contact the school office to verify attendance that day. If the child was in attendance, but not in the program, parents or guardians will be contacted immediately. If the parent cannot be reached, program staff will contact the emergency contacts listed on the Enrollment Form.

Absences should be reported prior to the expected time of attendance to the AlphaBEST local office or program. Remember, tuition fees are due regardless of attendance, including planned parent vacations. Absentees without prior notification may be mistaken for a missing child and result in unnecessary concern and time spent searching for the child. A \$3.00 fee may be applied if prior notice is not given. Please note that the school is not responsible for providing AlphaBEST Education, Inc. with attendance information

## **Early Dismissal Days**

During early dismissal of the school, AlphaBEST will operate when able, based on permission of the school and our ability to have staff for supervision of children. Review your program calendar for plans regarding these days during the school year. At no time will AlphaBEST provide food other than snacks and a drink to children, so please plan for this if any meal is not provided to your child, such as breakfast or lunch. Punch Passes are not able to be used on early release days. Additional registration and fee may be required.

## **Weather Closings (Inclement Weather)**

AlphaBEST follows the delay and closing procedures set forth by your school district. In general, when schools are closed due to inclement weather, AlphaBEST will also be closed. Prior to your child starting the AlphaBEST program, you will be notified of the policy specific to your school district. \*Tuition remains the same regardless of snow days.

## **Legal Issues of Custody or Care**

Legal documentation, in the form of a certified copy, must be provided to AlphaBEST regarding any custodial evidence or authority limitations of either parent or guardian. Without legal documentation to the program attended by the child, either parent will be allowed full access to the child at all times of program operation. It shall be the parent or legal guardian's responsibility to provide AlphaBEST with the certified copy of the order. In the event that the certified copy of the order expressly states that either a natural or adoptive parent or legal guardian shall not have any contact with the child or children, AlphaBEST Education, Inc. personnel shall first notify the local police department, and only then attempt to notify the custodial parent or legal guardian. Neither administrators nor staff of AlphaBEST Education, Inc. shall be permitted, during working hours, to take time from their regular duties to provide testimony, affidavits or otherwise act as a witness on behalf of a natural or adoptive parent or legal guardian involving matters such as custody, care support, visitation or control of the enrolled child or children without service of a subpoena.

## **Withdrawal**

Withdrawal from the AlphaBEST program requires that **two (2) weeks written** notice be given prior to the final date of attendance. Full tuition for the week will be charged if your child attends a portion of the week and withdraws prior to Friday. We reserve the right to withdraw a child for conditions related to behavior, the ability of the child to adjust to the program, ability for the program to meet the child's needs or non-payment without notice during the program. Withdrawals may be completed online at any time in the EZ Child Track Parent Portal.

## **Parent/Guardian/Authorized Pick-up Expectations**

AlphaBEST holds high expectations for our staff and students. The expectation is for everyone to act in a professional manner and treat everyone with respect. Like staff and students, parents/guardians must meet the same standards. Children may be dismissed from the program if their parent/legal guardian displays inappropriate behavior with AlphaBEST staff, other children, or other parents/legal guardians.

## **Personal Belongings**

AlphaBEST provides all materials and curriculum during the program and requests that all other personal property of children not be brought into the program. Weather permitting, a minimum of 30 minutes of daily outside activity is required by state regulations for all children. If your child is not allowed to go outside due to medical reasons, please send a doctor's note and arrangements will be made for him/her to remain inside. Since part of our program does involve physical fitness, we require children to have closed-toe or athletic shoes.

## **Snacks**

Decline fees will only be removed if a bank statement is received showing that there was fraudulent activity on the account.

## **Late Pick-up Fee**

We understand that occasionally, a family may struggle to pick up their child by closing time. While we are prepared to work with families, late pick-ups become a problem when a family is consistently late. Three or more incidents may result in program termination. In the event of late pickup, fees will be \$1 per minute.

While we understand that this does occur, this becomes an issue when families take advantage and consistently pick up late. Three or more incidents may result in termination. We ask that all parents have an authorized “back-up” person to pick your child up on time. Please speak to your Site Manager to add any authorized pick-ups to your child’s file.

## **Schedule Change Fee**

Our student management system allows families to make changes to your child’s program schedule online. In order to allow staff to allocate based on scheduled attendance, AlphaBEST requires families to make schedule changes no less than 10 days in advance. Should schedule changes be made within 10 days, a \$25 fee will apply.

## **Discounts**

- Only **ONE** discount will be given per family.
- Discounts only apply to **FULL-TIME 5-day** enrollments (South Carolina only).
- Discounts can not be applied to punch passes. Punch Passes can only be used on regular school days – before and/or after – not on early dismissal days or full day/week care days.
- Proof of discount eligibility, such as military ID badge or School District ID badge, is due at time of registration. Once proof of eligibility has been provided, discounts will begin on the next billing cycle.
- Only the sibling discount can be applied to Alternate Care and Holiday Camp days. No other discounts will be provided.

- I understand that my child cannot attend the school if he/she has any illness that threatens the health of other children. I understand that Health Department regulations concerning periods of infection will be enforced.
