

AlphaAc@demey is designed to support schools and families during those days when a student is not scheduled to learn in the classroom. Before & After Care (Early Risers and After Hours) are available to all students, every day.

AlphaAc@demey facilitates the student's distance learning and adds enrichment, fitness, lunch, and quiet time in a safe and supervised environment.

Schedules are customizable to support any district need. AlphaBEST Education has COVID protocols in place that meet or exceed District and CDC guidelines.
