### About the program

More than just a place for kids to learn and have fun, Going Places Summer uses the power of storytelling and experiential STEM learning to help transform the curious campers of today into tomorrow's thoughtful problem solvers and collaborators.

What's more, we help foster the important skills necessary to thrive in the 21st century, including communication, critical thinking and creativity.

# Program Information

## RATES:

5 days per week:  
\$195.00/week

Registration fee:  
\$20.00/student

## DESCRIPTIONS:

July 7 - July 11

### "Animal Adoption Match-up!"

This week, characters Rafael and Maya build an app that matches cute shelter animals to loving families. Campers use the power of imagination to merge the world of pet care with the tools of technology.

July 14 - July 18

### "Ocean Rescue!"

In Ocean Rescue, Maya and Rafael invent the PlasticSuperScooper3000 to extract hazardous trash from the ocean. Campers become marine biologists with a mission to protect the wildlife that lives in our oceans.
